Swine influenza vaccine **MUST** be sourced from Michigan Swine Veterinary Services – Dr. Daniel Hendrickson (616) 355-7447. Veterinarians can source vaccine from this clinic.

- If exhibitors are attending other pig shows throughout the summer, it is highly suggested that you use a two dose SIV treatment – also sourced from Michigan Swine Veterinary Services. First treatment should be given prior to attending any shows and second (booster) treatment should be given by July 11th.
- Please note that in order to follow appropriate withdrawal times for the Berrien County Youth Fair the last date to give any SIV vaccine to your pigs is **July 11th, 2026**.
- All forms should be turned into the fair office by **July 13th, 2026**
- SIV vaccine should be sourced from Michigan Swine Veterinary Services – Dr. Daniel Hendrickson. Other veterinarians can also contact this clinic to source vaccine for their clients.
